Deferred Tax

Deferred Tax liabilities are the amount of income taxes payable in future years in respect of taxable temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying value of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted on the balance sheet date. The impact on the account of changes in the deferred tax assets or liabilities has been recognized in the Statement of Profit or Loss and Other Comprehensive Income as per BAS-12.

হাক্কানী পাল্প এন্ড পেপার মিলস্‌ লিঃ HAKKANI PULP & PAPER MILLS LTD.

3.06 Revenue:

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and rebates, if any. Revenue is recognized when significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably and there is no continuing management involvement with the goods.

3.07 Comparative Information:

Comparative information has been disclosed in respect of all numeric information in the financial statement and also the narrative and descriptive information where it is relevant for understanding of the current period financial statements.

Previous period figures have been rearranged, wherever considered necessary, to ensure comparability with current period.

The company has labeled the restated comparative information with the heading "restated". This is to highlight for users the fact that the comparative financial statement information is not the same as the financial statement information previously presented in the prior period's financial statement.

The company has restated the comparative information due to charging of depreciation on revalued amount of non current assets to the Statement of Profit or Loss and Other Comprehensive Income which was not charged to the Statement of Profit or Loss and Other Comprehensive Income in the prior year's financial statement.

3.08 Significant Deviation:

a) Significant deviation in EPS

Net profit has been reduced due to fall in market price of the product though sales has been increased.

b) Significant deviation in cash flows per share

Net operating cash flow per share has been reduced significantly due to fall in collection from sales, increase payment for financial expenses and payment for raw materials & other expenses significantly.
